DETAILED ACTION

Papers Received

Receipt is acknowledged of the applicants' amendment and response, both received on 08 September 2003.

Claim Objections

The objection to Claim 32 is withdrawn.

Claim Rejections - 35 USC § 102

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

The rejection of Claims 1, 15, 17, and 18 under 35 U.S.C. 102(b) as being anticipated by Riazzi is hereby withdrawn in view of the applicants' amendment to the claims.

The rejection of Claims 20 and 33 under 35 U.S.C. 102(e) as being anticipated by Gardlik *et al.* is hereby withdrawn in view of the applicants' amendment to the claims.

Claim Rejections - 35 USC § 103

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Art Unit: 1615

The rejection of Claims 1-33 under 35 U.S.C. 103(a) as being unpatentable over Riazi in view of Gardlik *et al.* is maintained.

Response to Arguments

Applicants' arguments filed 08 September 2003 have been fully considered but they are not persuasive.

The applicants' arguments are based upon a narrow interpretation of both the claims and the prior art. It is the position of the examiner that one of ordinary skill in the art, giving both the prior art and the claims in their present form their broadest reasonable interpretation, would find the claimed invention obvious in view of the prior art. See MPEP § 2111 and 2123. In particular, the examiner does not interpret the disclosure of Gardlik *et al.* as being particularly limited to only hair compositions. The Gardlik *et al.* reference contains a broad disclosure for compositions that are beneficial for application to both hair and skin, which would presumably include application to limbs and extremities. Hence, the reference may be properly combined with the disclosure of Riazi.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after

Art Unit: 1615

the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
